This Newsletter is the final call for registration for the conference on 11th November. We have had a good response for the conference: and, if you have registered and paid, we look forward very much to seeing you ...and please ignore this letter!

With the weeks ticking by, now is the time to [register](#) if you have not yet done so!

To those who have registered but not yet paid: please would you do so now, as we have financial commitments to the conference centre within the next few days.

The conference programme can be found [here](#).

**PAYMENT DETAILS [HERE](#)**

For those who would find it financially impossible to attend, we are able to give some help with the cost of the Conference. To discuss this, please write to us at: [info@bss-support.org.uk](mailto:info@bss-support.org.uk).

For those who have already asked for financial help, please register by paying the amount you said you are able to pay – details [here](#).

**For all those attending the conference**

The Wesley Conference Centre is in Euston Street, a short road, about three minutes' walk from Euston Station. There is a great deal of work going on around the station with the works for the high speed train, so it is impossible to tell you the exact route: but, leaving the station with the trains behind you, from the forecourt go down the passage to the right. This will take you into Melton Street and Euston Street is then first on the left.

**Please let us know** ([info@bss-support.org.uk](mailto:info@bss-support.org.uk)) if you have any special requirements:

- Special diets
- Any other needs

The Wesley is very good with its special diets, but they do need to be ordered in advance. If you let us know your requirements, one of us will make sure that a correct lunch will be waiting for you! If you need dairy or gluten free also let us know for the coffee and tea breaks.
