

# BSCConcern Conference

1 November 2025

9.00 am - 5.00 pm

This is a gentle reminder about the BSCConcern conference on **Saturday 1st November** in London. We have an engaging and powerful day of speaking and community ahead, with guests including Nick Duffell, Rose Sawkins and Suzanne Zeedyk, as well as a screening of Piers Cross' *Boarding On Insanity* documentary.

(If you have already purchased a ticket, we look forward to seeing you.)

We would like to welcome people who have not previously engaged with the boarding school survivor community; whether you come solo or with a guest, we will make sure everyone feels welcomed and supported all day.

**Important:** if you are interested in attending but the financial cost of a ticket is the issue stopping you, let us know. There is some funding available for anyone who might find it difficult to pay the full cost. Please get in touch via the website.

A ticket includes lunch, coffee and refreshments. **[Click here for all the details.](#)**

We look forward to welcoming you in London in November.
